We grow organic vegetables and fruits on over 200 acres of land including our 29 greenhouses, so you can be sure that the vegetables you pick will be delicious.

Our Pasture Raised Hens Eggs will be available on the day also.

Enjoy crafts, see how and where vegetables grow and even pick some for your tea.\* Have a wander around the Maize Maze which is set in our 4 acre field and is designed to test problem-solving skills, memory, and patience! It can take around 1 to 2 hours to navigate to the end. Have you got what it takes?!

Sample some of our yummy picnic style food and drinks - picnic mats and hay bales are provided in the food area (no tables and chairs).

**WEAR APPROPRIATE CLOTHING:** You are visiting an open field surrounded with ditches which is part of a working farm and can get muddy, surfaces uneven and weedy. We all know the British summer is changeable so please pack your suncream with your wellies as there is little or no shaded areas.
